Sir,

No.Poc.744/B2/42, dated 21st March 1942.

Sub: Junior Certified School, Bellary - petty
officers - further continuance - orders
requested.

.....

In G.O.No.Ms.5644, Home Department dated 27-10-39, Government sanctioned the employment of two second grade petty officers in the Junior Certified School, Bellary, for a period of one year from the date of employment, subject to the condition that the additional petty officers should be disbanded on the principle of one petty officer for every thirty pupils. Of these two petty officers, one was appointed on 19-12-39 and the other on 17-7-40. The further continuance of the petty officer appointed on 19-12-39 for a period of one year from 19-12-39⁴⁰, was sanctioned in G.O.No.Ms.5109 Home, dated 16th December 1940, and that of the petty officer appointed on 17-7-1940, for a further period of one year from 17-7-41, was sanctioned in G.O.No.Ms.3429 Home, dated 30-7-1941. The Headmaster of the School reported on 8-10-41 that the post of the petty officer referred to

in P.T.O

In G.O.No.5109 Home dated 16-12-40 was abolished with effect from 4-10-1941 as the population of the school had fallen below 360 and this fact was intimated to the Accountant-General, in this office by letter No.L.Dis.2607/41, dated 15-10-41. Hence of the two petty officers sanctioned for the Junior Certified School, Bellary, in G.O.No.Ms.5644 Home, dated 27-10-39, only one post exists now and its sanction expires only on 16-7-1942 (vide G.O.No.Ms.3429 Home, dated 30-7-1941).

The Headmaster of the School now reports that the population of the school has gone up to 422 owing to the recent transfers of boys from the Senior Certified School, Chingleput, and the Junior Certified School, Ranipet, and that the services of an additional petty officer are quite essential for the efficient supervision and maintenance of discipline among boys. The population is likely to increase as the question of effecting further transfers of boys from the Junior Certified School, Ranipet is also under consideration.

I therefore request that Government may be pleased to sanction the entertainment of an additional petty officer on Rs.16--21½ in the Junior Certified School, Bellary, for a period of one year from the date of employment. The services of this petty officer will be dispensed with, if the population of the school goes below 360.

The extra expenditure will be met from the sanctioned grant under the relevant head and by reappropriation if necessary.

Major, I.M.S.,
Ch. Insp. of Certd. Schools.

to a post which was once sanctioned, but which was discontinued owing to a reduction in the strength of the school; please see Memo p. 22 of 13652⁹⁵ so long as the principle of one petty officer for every thirty pupils is adhered to (C in pass 35-362 Home 5644 Home 27.10.39) it seems that the Govt. may sanction the revival of such temporary posts, as he has been allowed to disband the staff on the same principle. For orders, however, may be sent to do so. If approved, a fine will be added to the draft. Finance may be consulted.

2. As regards the delegation proposed at 'A' above, it is submitted that such a course will be justified only if references to Govt. are very large. The usual scale is that one petty officer is allowed for every 30 pupils. If the strength of the school falls below the required standard, the Chief Inspector of Certified Schools is required to disband the staff proportionately. Sanction for the creation of such temporary posts is accorded by the Govt.

Proposals for the continuance of the temporary staff should also be sanctioned by the Govt. If, therefore, there is a case for expansion of the staff on account of the increase in strength of the pupils, it seems better that the Chief Inspector comes up to Govt. for sanction each time. If the work in the Secretariat on account of such references is considerably increased, the question may then be considered whether there is a case for delegation. Finance may advise that the existing procedure may be continued for the present.

See no peculiar advantage in these things coming up to Govt. when Govt. is prepared to sanction such posts according to the scale laid down. It is desirable to avoid routine reference to Govt.

The AG also may also require Govt. sanction for audit purposes - cf Memo No. 9655/EI-12 18.3.42 - fl. (M). The AG also carries a scale-regulated audit as opposed to an audit of sanctions. See no objection to the proposal of Home at A above.
